Budget and Resources Committee

November 2026 Report

The Budget and Resources Committee met on November 10, 2026. The committee considered Proposition 08-26/27, which establishes standards for faculty use of generative artificial intelligence in annual performance evaluation submissions. The committee recommends “Do Pass as Amended” on Proposition 08-26/27.

The committee considered NMSU’s response to Compact 2.0. See the separate *Committee Recommendation on the National Call to Action* for details.

The committee also discussed several ideas for a Faculty Senate social event. The committee recommended a happy hour at Pete’s Place in Corbett Center as the first event. Other ideas included holding an event at the Boneyard Cantina in the Downtown Plaza and having a patio party hosted by a faculty senator.
