

March 2024 Report

Faculty Success

Meeting March 20,
2024

Agenda:

The regular Faculty Success meeting was held on Wednesday March 20, 2024. There were no items presented to the committee to discuss.

The committee did discuss the recent failed search for the President of the NMSU. It was discussed that more transparency would be appreciated. I had mentioned that the next day there was a meeting with Interim President Gouge.

It was also discussed the Ethics Point use.
