During the month of December I represented the faculty senate as senate vice chair at the following meetings: The Assignment Advisory Group (AAG), Academic Deans Academic Council (ADAC), and the Senate Leadership Committee (SLC).

The AAG reviewed two proposals.

1. Rule 2.36, Payment Card Industry Data Security Standards - proposal to update and clarify.
2. Policy 10.00, Administrator Rights and Responsibilities –proposal to clarify at will policy statement contained in Policy 1.05.30

Item 1 was assigned to the administrative track and item 2 was also assigned to the administrative track with additional informal review to be provided by the Senate Leadership Committee.

ADAC addressed and discussed issues related to centralize advising, and the academic integrity task force. It has also been discussed that catalog changes via course action forms (CAFS) will be done only once per year. This topics will be discussed in tomorrow's Faculty Senate meeting.

The SLC met on November 28th 2016 to discuss and form the agenda for the December meeting. All propositions that were ready in time for the leadership meeting were added to the agenda for the December meeting of the Faculty Senate.
