

Student Success Committee Meeting
January 19, 2023

Attending: Chair Tauna Cole-Dorn, Tanya Allred, Michaela Burkhardt, Thaddius , Shelly Noe and invited guests, Chair Gaylene Fassenko, Dr. Tony Marin and Aaron Salas.

Minutes:

We discussed NMSU Authorized Absences 4.46 for possible revisions as well as addressing the concerns documented in the letter by undergraduate, Shadyn Roy. It brought up several points and good ideas of how we might clarify services for students in certain situations and also broaden the language in this policy to reflect better diversity, equity and inclusion among the student population.

We will work on a FLOW CHART to clarify the pupose and situations of the Disability Access Services, accommodations, Title IX, and class policy determined by the instructor.

We would like to include wording in the Authorized Absences policy to include the LGBTQ community.

Add link to accommodations website in the student handbook.
