

Monthly Report to the Secretary of Faculty Senate

Date: November 9, 2023

The Curriculum and Planning Committee met on November 9, 2023, to discuss the proposals assigned to them. Since there were no propositions to review, no new items were discussed. However, Gaylene did share some insights on the litigation related to the New Mexico State Basketball team that had been circulating in the media. The meeting was adjourned 40 minutes later.

Sincerely,

Gus Piña
Chair, Curriculum and Planning Committee
