

January 2024 Report
Faculty Success
Meeting January 17, 2024

The committee was presented with Proposition 05-23/24. Guest Chris Erickson presented information on the proposition. There was discussion on some minor changes to the proposition including adding more representation from the community colleges. There were also a few minor editorial changes. The committee first approve the proposition unanimously and then approved the friendly amendments. The Faculty Success committee unanimously approved the friendly amendments.

Respectfully submitted:

Glenn Duff

Animal and Range Sciences

Chair, Faculty Success
