- Susan suggests that a demo be made available at the next FSLAC meeting

What ideas does FSLAC have for the new dean?

- Suggestion that he be invited to meet with all the academic departments
 - Discussion ensued; this may not be practical in the two months before school gets out, and perhaps this could be something to encourage departments to do in the Fall
- FSLAC should write a Memo of Welcome (Meg; Chris)

Next FSLAC meeting will be in April; Chris will send out a Doodle poll

Agenda items:

- Discussion about getting students back into the library now that food/drink restrictions have been lifted
 - Ideas: "9 pm Breaks", donut night, popcorn night, Foundation connection, midnight breakfasts during Finals
 - Create an all-fac email inviting professors to bring their classes to the library
 - Approved; to be done by Chris & Meg
