Summary of Regents Policy or (ARP) Rule Proposal
 * **No.** 5.87; **Title:** Post-Tenure Review
Summary: It is proposed to update and revise Rule 5.87 as a companion revision to the revisions proposed to Rule 5.90 (Promotion and Tenure). The proposed changes are the result of the required review of the University's P&T policy which was conducted by the Faculty Affairs standing committee of the NMSU Faculty Senate during the 2015/2016 academic year, and which resulted in a recommendation to reorganize three related Rules, renumbering this one to Rule 5.91. A copy of the proposed revision to Rule 5.87 (Post-Tenure Review), with a list of specific proposed changes is at the beginning of the attached revised Rule draft. *At time of submission of this RTF, 5.87 is a Regents Policy; if Proposed Regents Policy 5.00 is adopted by the BOR on May 13, it will become a Rule within the ARP.

Return signed routing form to Office of General Counsel, with Copy to Proposal/Rule Sponsor [and Faculty Senate Chair].
