A Memorial in Appreciation of Britney Stout's Service to the NMSU Faculty Senate

- Whereas shared governance is an important function at NMSU that provides faculty the opportunity to assist NMSU's Central Administration in exercising needed leadership on academic issues;
- Whereas the Faculty Senate is an important mechanism by which shared governance is advanced and has an ongoing work load that could not be completed without a capable and hardworking Faculty Senate Recording Secretary;
- Whereas serving as the Recording Secretary is demanding of time and effort, and requires significant organizational, technological, and interpersonal skills;
- Whereas the role of the Recording Secretary is critical to the success of the Faculty Senate, including documenting the Senate's work and facilitating meetings;
- Whereas, during her service from 2012 to 2017, Britney Stout has discharged all duties of the Recording Secretary with hard work, thoughtful inputs, significant diplomacy, and grace; and
- Whereas Britney's commitment and hard work has made her a true partner with Senate Leadership in helping to advance the work of the Senate.

Let it be resolved on this 4th day of May, 2017, that the Faculty Senate formally acknowledges Britney Stout's exceptional service to the Senate through her role as Recording Secretary, consistently bringing order and action to the Senate through her ongoing support and accomplishment. With this acknowledgement, goes our sincere gratitude for her service and the very best wishes to her in her future endeavors.
