**Title:** Revisions to the Faculty Senate Constitution

**Date Submitted:** 25 February 2020

**Sponsor(s):** Brown (A&S), Beck (Library), Arslan (CoB), Fasenko (ACES), Smits (A&S), Zemler (ACES), Enomoto (CoB), and more to join as this moves

**Proposed Committee:** TBD, but NOT the LRP

**Assigned Committee:** TBD, but NOT the LRP

**Prior Approvals:** N/A, as this is an internal Senate action that will go to all faculty once it clears the Senate.

**Proposal:** The attached documents comprise a revision to the Faculty Senate Constitution that moved through the Long Range Planning Committee in fall of 2019 and spring of 2020. The lead author wishes to thank members of the LRP for helping with this extensive and complex process, with special mention to Susan Beck and Faruk Arslan for their assistance in document management.

**Rationale:** The existing constitution has not been revised since 2015 and had numerous sections that were out of date due to policy changes, both internal and external to the Senate.
